

## City Administration for Two Years Will Be Named Tuesday by Voters

### Directors Will Check Campaign Chamber Funds

Directors of the Chamber of Commerce will meet Thursday night to check up on the membership drive which has been underway the past week.

Solicitors from the Chamber have called on business and professional firms during the past week for the purpose of securing funds to put on a worthwhile program for the coming year. It is hoped that a sufficient amount of money will be pledged in order to employ a paid secretary. The work of the Chamber is too heavy to expect voluntary workers to carry on these duties.

All directors will meet and thoroughly canvass the drive which was started last Thursday.

## G. T. Hollabaugh of Happy Buried Tuesday at Dreamland

George Thomas Hollabaugh, 63 years old, of Happy, was found dead Friday afternoon at the Happy Wheat Growers elevator of a heart attack.

Mr. Hollabaugh was a native of Tennessee and had resided at Happy for several years.

Survivors include his wife, Mrs. Hartie Hollabaugh; three sons, Luther Hollabaugh, Happy; Marion Hollabaugh, Canyon, and Herbert Hollabaugh, Long Beach, Cal.; two daughters, Mrs. D. C. Gazzaway, Clockwood, Tex., and Mrs. J. D. Ramsey, Davis, Okla.; two brothers, Isom Hollabaugh, Canyon, and Victor Hollabaugh, Amarillo, and three sisters, Mrs. W. C. Hamblen, Amarillo; Mrs. J. B. Wilson, Oklahoma City, and Mrs. R. L. Deere, Fluvanna, Texas.

The funeral was held Tuesday afternoon at the Methodist Church in Happy, conducted by the pastor, Rev. Elmer Crabtree. Interment followed in Dreamland Cemetery.

Pallbearers were: Conway Kuykendall, Glen Persons, R. B. Gist, M. O. Schaeffer, Frank Harvey and Glenn Dowlen.

## Wester, Redfearn Delegates to Rebecca Assembly

Last week Mrs. W. I. Wester and Miss Columbia Redfearn represented the Canyon City Rebekah Lodge No. 350 at the 106th session of the Grand Lodge of the I. O. O. F. of Texas and the 52nd Session of the Rebekah Assembly of Texas in Waco.

More than 4500 delegates registered at the meeting. \$150,000 was appropriated for a new orphan's home at Corsicana and the expenditure of \$15,000 to repair the old folks' home at Ennis was approved unanimously.

Amarillo was chosen as the site for the 1947 convention.

## Students Put on Variety Program at Rotary Lunch

Boone McClure was in charge of the Rotary Club program Tuesday. He introduced a variety program by four students of West Texas State.

Lloyd Johnson of Wheeler sang a group of solos; Miss Dorothy Rae Bivins of Tulsa gave a reading; Miss Jean Boyd of White Deer played her own compositions at the piano; Miss Dorothy Evans sang a group of solos.

Visitors were: Arch Hunsley, N. S. Griggs, Guy Carlander, Forrest Barnes, Ed Broome, W. B. Gumm, all of Amarillo; Bob and Leige Lindsey of Borger; E. Wayne Porter, G. W. Webb and Capt. Hud Prichard, Jr., of Canyon.

**LEGION AUXILIARY MEETS**  
The American Legion Auxiliary of Palo Duro Post No. 97 will meet in regular session Monday afternoon, April 1st, at 3:00 o'clock. All members are urged to be present.

**UNDERWENT OPERATION**  
T. C. Thompson underwent an operation at Temple Monday. Yesterday he was reported to be doing very well.

Lt. Lee (Tige) McLaury is here visiting his family until April 18 when he will report to Corpus Christi. He is back from nine months spent in the Marine Corps in the Pacific, and expects to receive his discharge soon.

Mr. and Mrs. Clarence Eugene Thompson left Sunday for Austin where Mr. Thompson hopes to enter the University of Texas in September.

## Dr. Donnell To Retire From the Practice Medicine

DR. C. E. DONNELL

Dr. C. E. Donnell announces that he will quit practicing medicine on April 7 and will move to Plainview to make his future home. He has sold his home here and bought a 10 acre tract near Plainview. He has sold all but 10 head of his Milking Shorthorn cows, and will take these to his new home at Plainview. Dr. Donnell stated that he is quitting in order to devote his time to out-of-town work.

## Monday Is Dead Line Car Plates

All Cars Must Have 1946 License Plates by Mid-night of April First

Next Monday, April 1, is the deadline for buying 1946 automobile license plates.

All cars which use the highways must be equipped with the new plates before midnight of April 1st. While there has been a decided pick-up in the number of plates sold this week, there are many who have so far failed to buy their new plates.

## Former Citizen Was Buried Dreamland Thursday Afternoon

Chas. A. Stockhaus of Panhandle was buried Thursday afternoon at Dreamland Cemetery. The family lived east of Canyon for many years before moving to Panhandle, where Mr. Stockhaus was retired. He was 81 years old.

The funeral was held at the Baptist church in Panhandle. He is survived by his widow, three daughters, Mrs. F. P. Ferrell of Panhandle; Mrs. Everett Westerlund of Magnolia, Ill.; and Mrs. H. W. Metzler of La Salle, Ind., one son, Frank Stockhaus of McNabb, Ill.; one brother and one sister.

**MARRIAGE LICENSES**  
Raymond H. Carder to Mrs. May M. Mayes, March 19.  
Thomas D. McGrady to Mrs. Frances H. Boblett, March 20.  
Neal Palmer McElreath to Mrs. Minnie Sanders, March 23.

Capt. Fred Hart, who has been overseas for about five months, has been transferred from Germany to Istres, France.

## Three Names on School Ballots

Mrs. Dan Sanders To Be First Woman Candidate to Serve on School Board

There will be only three names on the official ballot in the school election to be held April 6. These names are Mrs. Dan Sanders, W. R. Crow and B. A. Burrus.

Dr. Lee Johnson withdrew his name Monday as a candidate, and requested that he not be considered as a candidate.

The names of Mr. Crow and Mr. Burrus had been presented last week.

More than 70 qualified voters presented a petition to President Paul Lindsey of the school board in which the name of Mrs. Sanders was presented as a candidate. The petition was sponsored by the Parent-Teachers Association.

This district has never had a woman member of the school board, although many other districts have elected women to serve. Mrs. Sanders was selected because of her interest in the schools. She has taught in the high school and has served as a substitute for several years.

Mr. Lindsey stated that the trustees had not filled the position of superintendent for the coming year, and would not do so until after the election. While the three new members will not officially take office until May 1, he believed that the present board will ask the new members to sit in on all meetings at which this problem is discussed, and would ask them to participate in all investigations of the 15 or more candidates who have filed for the place. He hopes that the board will reach some decision during the coming month as school men are anxious to get their work lined up for the coming year.

## Airlines Hope For Report Application By April First

New Mexico Airlines filed an application for a feeder line from Roswell to Amarillo in June, 1944. Hearings were held on the proposal by the Civilian Aeronautics Board in February, 1945. A report of the examiner is promised by April 1st, according to a letter from the company headquarters to the Chamber of Commerce.

This was one of three feeder lines which have made application for permits to serve this territory. It is the only line which is completely financed by the promoters. Citizens of Canyon, Hereford and towns to the west have expressed favor to this line in view of the fact that it will run directly from Roswell to Amarillo and connect with the big airlines.

## Jno. McCarty's New Book Will Be Out In Few Weeks

The new book, "Maverick Town. The Story of Old Tascosa," written by John McCarty, will be off the press in a few weeks.

There will be only a limited number of books printed in the first edition. Orders are now being taken for the first edition at the Canyon News.

Mr. McCarty will autograph the first edition for those who desire it. He will be in Canyon one afternoon when the books arrive.

Citizens of Canyon who wish first edition copies should leave orders at the News office.

Gradean Franklin of Olton returned to his home Saturday after having visited for 12 days with his grandmother, Mrs. Annie Campbell.

Guy B. Tabor, who is temporarily stationed at Goodfellow Field, San Angelo, spent the week end at home.

Capt. and Mrs. Hud Prichard, Jr. and daughter are here from North Carolina to visit relatives.

## Rain Tuesday Night Comes to Aid of Wheat Crop, Which Looks Good

Green Bugs Working on Wheat in Spots; .40 of Inch Moisture Falls Here

Rain came to the aid of Randall county's wheat crop yesterday morning.

The moisture measured .35 of an inch Wednesday morning. Showers continued intermittently throughout the morning until the moisture measured .40 of an inch at noon.

A real duster hit Canyon Monday afternoon, blackening the sky for a few minutes. The temperature dropped, but did not reach the freezing point. Wind continued from the north until the rain started early Tuesday evening.

Early wheat is reported to be advanced farther than usual for this time of the year. This wheat, which had not been grazed, stood in danger of dry weather and the green bugs.

Late wheat is generally reported to be in good condition. Green bugs have worked in many fields, but the loss so far has been limited.

This rain will be of great benefit to the growing crop and puts the ground in excellent condition for spring crops.

## LOUIS CARTER HOME

Louis Carter, Quartermaster in the Marine Corps, has returned home for a visit with his mother, Mrs. Emily Carter, and his sister and brother-in-law, Mr. and Mrs. Norman Glenn.

He arrived in Seattle, Washington on the tanker S. S. Puente Hills on March 14 after spending 26 days towing the after part of a Russian tanker, U. S. S. R. Dongoss. This tanker had broken in two out in the North Pacific while battling heavy seas. Mr. Carter's tanker brought in 23 survivors.

He has just completed a tour around the world and says that he has seen many strange sights and may see many more as he thinks he may be in the service another year and a half.

Mr. and Mrs. Henry Bradford visited from Sunday through Wednesday with his sisters in Vernon and Floydada.

Mr. and Mrs. W. M. Thompson and children visited with his mother at Bartlesville, Okla., from Friday until Tuesday.

Figures in the Canadian spy ring charged with passing secret atomic bomb, radar, and other vital armament information to the Soviet are shown under arrest in Canada. Nearly a score have been arrested, other arrests are expected. Leaving Ottawa police station, top, are Dr. and Mrs. David Shugar, and lower right, Harold S. Gerson. Lower left, Fred Rose, Polish-born Communist member of the Canadian Parliament, is arraigned in Montreal.

## Government Puts Stop to Construction for Aid in Building Vet Homes

Move to Stop Building Has Been Considered For Long Time in Washington

The government has clamped down on building throughout the nation in order to furnish materials for the construction of homes for veterans.

Officers have been established in 71 areas throughout the nation, with the view of issuing permits before construction may be started. It is stated that regulations will be issued late this week under which the agency will operate.

The ban on building came as no surprise to material dealers in Canyon. The plan has been under discussion in Washington for several months in view of the shortage of houses for returning veterans.

No one is able to predict just what effect, if any, the new regulation will have on construction under progress.

## Zoellers Receive Many Friends on 60th Anniversary

Mr. and Mrs. C. F. Zoeller celebrated their sixtieth wedding anniversary at the home of their daughter, Mrs. George I. Taylor, Monday.

Many flowers, gifts, and congratulatory messages were received during the day, and in the afternoon a number of friends called to visit with the honorees. Refreshments of cake, punch, and mints were served.

Besides Mrs. Taylor, the Zoellers have another daughter, Mrs. A. J. Finken, of Oakland, Oregon. A son, Elmer H. Zoeller, was killed in World War I. The American Legion Post in Happy is named in his honor.

There are two grandchildren in the family. They are Catherine Finken and Charles Taylor.

Charles F. Zoeller and Miss Louisa C. Nitzche were married in Richardson County, Nebraska, March 25, 1886. In 1908 they moved with their children to a farm three miles north of Happy. Eleven years later Mr. Zoeller retired from the active management of his farm, and he and Mrs. Zoeller moved to Happy to make their home. When Mrs. Zoeller's health failed about two years ago, they came to Canyon to live with their daughter.

While they lived in Happy they were active members of the Presbyterian Church, and they participated as well in all other community activities.

Since Mrs. Zoeller has been confined to her wheel chair she relies on her family, her friends, and her radio to keep her informed on topics of the day. Playing a game of dominoes is her favorite pastime, and according to Mr. Zoeller she is the champion player in the family.

Mr. Zoeller is active and goes to town often to visit with his friends. Working in the yard and the flower garden is his hobby. His friends can well understand such a hobby for they know of his success in years past with his vegetables, fruit, and flowers.

Mr. and Mrs. Zoeller expressed the desire that their thanks be extended to all of their friends who remembered the anniversary occasion in any way.

The Home Service Unit of the Randall County Chapter, American Red Cross has offices on the 3rd floor of the Court house. Telephone 444. Office hours are 1:30 to 4:30.

# Editorials

There is growing sentiment throughout the nation to do something to help the schools. Teachers' salaries are far below prevailing pay for men and women engaged in other professions. Skilled workmen have been receiving double the pay of teachers, while unskilled labor has received equally as much, and in some instances, more than those who are engaged in the teaching profession. It is reported that it was noticeable at the teachers' conference at Amarillo last week that few young people were engaged in the teaching profession. Most of the teachers are past the middle age. Naturally it is assumed that these teachers are better prepared for their profession than young inexperienced teachers. But there is something radically wrong when any profession is not commanding the attention of the younger generation; especially when all of the younger group ignores a profession because of the lack of salaries. All of this adds up to the fact that more money must be raised to pay our teachers if our schools are to perform the functions for which they are maintained. Critics of the school system say that too much money is being wasted for unnecessary functions. Friends of education state that the entire difficulty is that the people are not willing to tax themselves sufficiently to maintain an adequate school system. Quarrelling about the cause for the situation will not raise more money to induce younger persons to qualify themselves for the profession. A serious study must be made of the problem if the younger generation is to have adequate schooling under the direction of well trained teachers.

The voters of Canyon will go to the polls next Tuesday, April 6, for the election of a city commission. Mayor W. A. Warren and Dr. S. H. Condon, member of the commission, should be continued in office, since they are well acquainted with the duties of the office, and future needs of the city. The voters have a choice between G. A. Farlow and J. H. Lisle for the other place on the commission. Both of these men are well known in Canyon. Mr. Lisle has served on the school board. Mr. Farlow is a veteran of World War I, and has been in business here since that war. Voters should go to the polls in large numbers and make their selection of city officials to represent them during the coming two years. Let's not neglect this public duty. It takes only a few minutes to vote. Canyon must do a lot of public improvement during the coming two years. The voters should select the men who are the best prepared to do this public service, rather than merely vote for some one who wants to hold public office for the small amount of pay which is given to members of the city commission. Go to the polls. Every voter has an obligation to perform.

Directors of the Chamber of Commerce are meeting tonight to check the drive for membership. Some Canyon citizens have responded well to the drive. Others take the attitude that since we have had only a token Chamber during the past years that it is unnecessary to dig up the necessary money to put over a real organization for the coming year. In this they are badly mistaken. There is much work to be done. Patriotic citizens should not be called upon to donate their time. Time will not wait for the laggard town. There are great opportunities for Canyon. If there is a well organized and well conducted Chamber to look after the public welfare of the community. Let's do our best to put over this worthy organization. It will be money well spent. The Chamber needs a paid manager to devote his full time to the work.

The war department is so certain that Congress will pass some kind of a compulsory military training bill that it is not disposing of surplus war materials and training camps. Plans are underway by the war department to step up military training if and when such a bill is passed. Is sentiment within the nation cooling on this question, or is the war department over-confident of its selling power? The present war scare with Russia is being played up for a purpose, and this may turn the trick.

## W. T. High School Crowns Queen

Bettie Brown, junior, was crowned W. T. High School Queen at a recent dance held at Cousins Hall.

We just talked to a well known political observer who has been in Washington, D. C. to try to read the minds of the political wizards of Texas. His guess is that Pappy O'Daniel will announce for Governor in a few weeks. The reason: Pappy is very unhappy as Senator. He is not running the show, but rather is being run over in a most roughshod manner. As Governor, he would be top hand in Texas politics. Pappy likes this. We shall see what we shall see.

Calculating Coke is keeping the political wise, or unwise, very much up the tree. According to word from Austin, Coke is still waiting for the right man to announce for Governor. If the right man comes out, Coke will be glad to retire. Coke wants a fair man to come out for the office. He would hesitate to run against Pappy O'Daniel. He is a good friend of Beauford Jester. But he is suspicious of Dr. Homer Rainey and Jerry Sadler. If it looks as if Jester could win, Coke may step aside regardless of any other candidate.

A row has been started for leadership of CIO. When the leaders start to fight among themselves the cause of organized labor weakens. There has already been enough cause for public distrust of CIO leadership.

Goering is trying to make himself out as the real German hero of the war. He knows that he must die, so is using the trial of war criminals as a method of trying to idolize himself with the fallen nation. What fools we mortals be!

While politics boils in some counties, there is a drought of candidates in other counties. The Herford Brand has resorted to advertising to secure candidates for county judge; mayor of Herford; members of the city commission.

Opponents of President Truman say that he is a weak leader. He shook the big stick over the heads of Congress Saturday night, and this august body didn't like it a little bit. Maybe he is not the passive type, after all.

Did Churchill smoke Stalin out and cause him to declare in favor of UNO? Or did Churchill talk too soon? Who knows?

## Delays Are Costly

The spring rush of farm work will be here before you realize it. Busy months will then confront every farmer—times when they need all of their farm equipment, and want it in first class condition.

There will be little in the way of new machinery available this spring. Strikes are responsible for this condition.

Farmers are called upon for record food production in 1946. In order to reach this goal, their machinery must be put in first class condition now. Breakdowns during the busy season will be costly.

Make your plans now to have your tractors and other farm equipment overhauled.

## New Language Is Boon to Deaf

Electronic Tube Invention Using the Green Light Lets Them 'Hear.'

NEW YORK.—A new form of language where electronic tubes make spoken words visible in green light was announced recently by the Bell Telephone company, according to the Associated Press. The deaf can read this language. Persons of normal hearing learn to read it about as fast as a foreign language. The tubes also record this sound language on paper in permanent form.

The new alphabet looks slightly like shorthand, but with all characters fat, and some a bit fuzzy on the edges. The electronic translator draws not only spoken words, but music, noise, dialects and bird songs. It can be made to record the emotions in a human voice.

The principle is like the one which will be used when, if ever, science makes a typewriter that will record spoken dictation.

Looks Like a Plane.

In this language the word "sure" looks like a diving plane. "Five" closely resembles the letter "Z." The sound "S" is like a curtain of whiplashes and the word "sissy" is tough to recognize. "We" looks like a tree blowing in the wind. "You" is like a warship with a barrage balloon floating just above its bow.

The meadow lark's song resembles the notes in a musical scale. The thrush song is similar except its notes resemble fat, juicy slugs. The whippoorwill's voice resembles stubby caterpillars chasing each other. Laughter is a row of feathers, grunting and squealing a picket fence with occasional cross bars.

This green light language appears as the words are spoken on a small glass screen like a television picture; and for teaching deaf children, on a large screen about four feet across, where each green word is a foot high.

Deaf in Demonstration.

Edgar Bloom, born stone deaf, read with fair fluency before a large audience as words were spoken into a microphone by a woman demonstrator and also by members of the audience.

More important than his reading, Bloom learned for the first time, by watching the light forms, to speak so that other people could understand him. When he went to work on this about a year ago he was unable to take the elevator to the eighth floor of the laboratories. That is the paymaster's floor. He could not say eight intelligibly and for a month always went to the seventh floor, because he could say seven. He has learned to say eight.

Deaf children, it was pointed out, are able to learn to speak clearly only a few words a year. With the speech translator, it is expected they will learn faster.

The devices are also a new tool for useful measurements of sound of all sorts, including hunting for the elusive noise that drives you half crazy.

Phosphor Coat on Lamps Gives Ultra-Violet Rays

CLEVELAND.—The General Electric lamp department at Nela Park announced the discovery of a new phosphor, resembling the powder used in fluorescent light tubes, which will permit manufacture of lamps producing invisible ultra-violet in proportions suitable for both humans and poultry.

Nela Park officials said a thin coating of the new powder on the inner surface of present lamps would produce an ideal combination of germ-killing and health-giving radiations.

Both types of lamps—those used for humans and those for poultry—are made of a special glass which screens out the few germicidal rays not converted by the phosphor coating into desired radiation found in natural sunshine.

## Penicillin Aids In Scarlet Fever

Good Results Are Reported From Use by Doctors.

CHICAGO. — A successful seven-day treatment of scarlet fever with penicillin was reported in the Journal of the American Medical Association.

The treatment, consisting of injection of 10,000 units of penicillin into the muscles every three hours, is effective in rapidly eliminating the germ-causing infection (hemolytic streptococci) from the nose and throat within 48 hours, the report said.

Drs. Manson Meads, M. Eugene Flipse Jr., Maxwell Finland and Mildred W. Barnes, with the collaboration of Ruth Drew and Alice Northrop, Boston, studied four groups of nine patients each who were admitted to the south department of the Boston city hospital between January and May, 1945.

The authors emphasized that their conclusions were "only tentative" because they were based on a "very small number of cases."

Each of the groups of scarlet fever patients was treated differently: Group A was given no sulfonamides or antibiotics; Group B was treated with muscular injections of penicillin; Group C with sulfadiazine taken by mouth, and Group D with nose and throat spraying with a penicillin solution. Best results were obtained in Group B.

The report said clinical results suggested the muscular treatment might "minimize or even eliminate" late complications involving the ear, heart and joints and dangerous damage to the kidneys.

Furthermore, should these findings be corroborated on a large scale, the report added, "patients could be discharged after 8 or 10 days without danger of giving rise to secondary cases or of cases returning with complications."

The present requirement for isolation of scarlet fever patients is three to four weeks.

## Cash Awards Increase Birth Rate in Russia

MOSCOW. — Soviet Russia's birth rate, which before the war was one of the highest in the world, has increased more than one-third as a result of a 1944 decree giving cash awards to mothers of three children and more.

The commissariat of public health withheld actual figures, but announced that during the first nine months of this year the Soviet birth rate jumped 35.3 per cent over the same period last year.

Last recorded figures list Russia's 1935-39 birth rate as 44.1 for each 1,000 population, compared with 17.1 for the United States during the same period. Russia's last census, in 1939, disclosed a total population of 183,736,286.

Assistant Commissar M. D. Kovrigina attributed the increase to the Supreme Soviet decree awarding payments ranging from 400 rubles (nominally about \$75) to the mother of three children, to 5,000 rubles (nominally about \$950) and 300 rubles monthly for each child in excess of 10.

## France Offers Bonuses In Cash to Quit Cities

PARIS. — A bonus of \$560 for a single person and \$1,200 for married couples with \$120 for each additional member of the family, was offered recently by the French ministry of reconstruction to induce persons to leave heavily populated cities, Paris excepted.

This attempt to solve the housing shortage was begun as a national housing census was opened. This is part of a plan to requisition vacant rooms.

The plan, which will soon become law, provides that at every household two rooms shall be allowed for the first two persons and one for each additional person. Surplus rooms will be liable to requisitioning. Violators will be fined or imprisoned.

## Coffee to Serve On Committee for Industrial Plans

Dr. Herschel Coffee, professor of economics, West Texas State College, could perhaps afford to be less polite than some of the Industrial Exposition speakers not residing in this area.

Anyhow he proved himself a truth teller and an intelligent voice sounding from underfoot. John McCarty predicts that he will be a figure in the industrial development of this area. He was recruited to serve on the Chamber of Commerce Industrial Committee.

In pointing out that this area has barely scratched the surface of its potential industrialization, he said that the total manufacturer's pay roll for the Amarillo trade territory is only slightly more than the estimated income derived by the city of Amarillo from tourist business.

He explained, "There is an immediate and impelling need of attracting greater capital investment in agricultural processing industries based on locally available raw materials. In the first place, it is in such lines of manufacturing that a relative high value of production with minimum direct costs yield high productivity of labor and profits of investment. Indeed, it seems incredible these items continue to be imported in the region in huge volume without greater development occurring here.

Perhaps the reason lies in indus-

trial inertia and the hold of nationally advertised trade names. In the second place, the market for goods of this type is enormous and relatively certain due to the large buying power of this region."—Amarillo Globe.

## Rome Has to Pay 425 Lire for U. S. Dollar

ROME. — A dollar would bring you 425 lire in Rome's black market, as against the official rate of 100 to the dollar.

This sharp jump from a recent 375 level was attributed in financial quarters to fear of inflation. The financial editor of Il Tempo also reported in his column that "blue seal dollars are being widely sought." Dollars bearing a gold seal were in frequent evidence after the Allied invasion.

In contrast with the rise of the dollar, black market quotations on the British pound remained at 1,025 lire, as against the official rate of 400.

Seems the gobs were unable to board the jammed bus in New York, so they crawled in with luggage for their trip home.

## New Fireball Uses Jet and Propeller

### Navy Reveals Fighter Plane With 1,500-Mile Range.

WASHINGTON.—The world's first war plane using both jet and conventional engines was unveiled by the navy along with the announcement that an improved design is being built and new types are under development.

The new plane is the Ryan FR-1 Fireball, a sleek fighter with a propeller in its nose and a jet nozzle—a built-in tail wind—in the stern. It flies on either or both engines.

Using only the Wright Cyclone 1,350 horsepower engine driving a Curtiss broad-bladed propeller, it can hit a top speed of 320 miles an hour. Using only the General Electric 1-16 thermal jet, it can reach 300 miles an hour. The top speed with both engines is a secret, but probably is less than the total of the two independent figures.

Cruising at a speed of 207 miles an hour the Fireball has a maximum range of 1,500 miles.

The plane is the first tricycle landing gear fighter ever accepted for aircraft carrier use. A navy fighter squadron, VF-66, was in training with the Fireball before the Japs surrendered but did not get into combat.

The Fireball has two 50 caliber machine guns in each wing. A 1,000 pound bomb can be carried under each wing, or it can carry rockets or droppable fuel tanks. The fighter was designed and built by the Ryan Aeronautical company of San Diego, Calif.

The jet engine is the same, with minor modifications, as that used in the first American jet fighter, the Bell P-59 Airacomet, which carries one under each wing.

## U. S. Army Refuses to Let G.I.s Wed German Girls

BERLIN. — The United States group control council said recently "there is no intention" of permitting marriages among occupation forces and Germans, or billeting troops in German homes in the American zone.

The American military government set forth its position in a statement issued on the heels of recent action by the Allied control council relaxing nonfraternization restrictions to permit these two privileges at the discretion of zone commanders.

"In conformity with an agreement reached at a recent meeting of the Allied control council appropriate instructions are being issued in the American zone relaxing nonfraternization regulations," said the statement. "Under this agreement all restrictions against fraternization were lifted except the billeting of troops in German homes and the marriage of soldiers and German nationals.

"While zone commanders are authorized to permit billeting in German homes and marriages of soldiers and German nationals, there is no intention to grant such privileges in the American zone," the statement said.

## Tells of Japs Giving \$173,000 to Americans

LABUAN ISLAND OFF BORNEO. — Two weeks before their surrender, the Japanese in Borneo learned the war was nearly over and sought to make up for past ill-treatment by giving 10 American civilian internees \$173,000.

Carl Jeremiah Cook, 59, who came here from San Francisco 32 years ago, said the Japanese gave each of the Americans more than \$17,000, explaining that the United States had forwarded the money through Switzerland. The Japanese also opened warehouses of undistributed American Red Cross supplies to the internees, Cook added.

He said the money the Japanese turned over apparently had been intended for general relief work in Borneo. The Americans later handed the funds to a British officer who was placed in charge of their camp, he asserted.

## Japan's Schools End Jiu Jitsu and War Drills

TOKYO. — The Japanese ministry of education recently abolished from schools samurai flavored courses in glider training, judo, jiu jitsu, fencing and military drill.

A new political party, the Japan Renovationist party, came into existence, advocating elimination of feudalism and liberalization of economy.

In another development on the occupation front the Jap government fired more than 5,800 police personnel.

## No Germans Permitted To Leave Soviet Zone

LONDON. — Hamburg radio said that Germans traveling from the British to the Soviet occupation zone "for any reason whatsoever" would not be permitted to return.

"No traveling may be permitted unless for the purpose of settling in the Russian zone," the broadcast said.

"Mama, is lunch ready yet?"  
"No, darling, not for another hour."

"Then my tummy must be fast."

## "Military Caste System" Will Be Subject of Study

By Eugene Worley

A very constructive move was made last week by Secretary of War Patterson when he appointed a six-man board of former servicemen to study the much criticized "military caste system."

Heading the Board will be Lt. Gen. James H. Doolittle, of Tokyo raid fame and subsequent distinguished service. On the Board will be ex-GIs and officers as well. Former Technical Sgt. Jake Lindsey of Mississippi, the one-hundredth infantryman to win the Congressional Medal of Honor, will serve, along with Troy H. Middleton, comptroller of Louisiana State University, who as a lieutenant general commanded the 45th Division in North Africa and Sicily. Other members include Robert Neville, New York newspaperman and former lieutenant colonel, Adna H. Underhill of Freeville, N. Y. who was a paratroop captain and Anzio veteran, and Mervyl H. Frost of Hanover, N. H., a former Air Force sergeant badly wounded in Italy.

Secretary Patterson said the Army investigation will look into the relations between officers and men both on and off duty, investigate provisions for their housing, clothing, and recreation facilities, living conditions and the promotion system. Enlisted men and officers in service at the present time will testify at the hearings which will start late this month. A large number of witnesses, including civilians who had close contact with service personnel, such as workers of the Red Cross, will be heard.

It is expected that the Navy will announce the appointment of a similar board soon. Vice Admiral Louis E. Denfeld, Chief of Naval Personnel, disclosed that the make-up of the Navy board has not yet been determined but stated that it would consist of reservists or former naval men.

Patterson, in appointing the Board, said that in planning for a peacetime Army any change in personnel policy should be made to achieve a citizen's Army of the best type possible. "In the last few years, millions have served in the Army who would not have done so had it not been for the war—and while the experience of the war is still fresh in our minds, the time is right to take stock and determine what changes should be made in our practices."

Another announcement made by the War Department was that of 212 Brigadier Generals being reverted to the permanent status of Colonels, which serves to give some idea of how rapid has been our mobilization policy.

## Ziegler - Rutherford Rites Read in Church Ceremony

CADET AND MRS. JOE ZIEGLER

At 2:00 o'clock in the afternoon of Sunday, February 17 in the Church of the Annunciation, Luling, Texas, Miss Dortha Lou Rutherford,

daughter of Mr. and Mrs. R. E. Rutherford, became the bride of Joe R. Ziegler, U. S. Air Forces, son of Mr. and Mrs. Thomas Ziegler of Canyon.

The church was beautifully decorated with white gladioli, white stock and tulips. Wall plaques, fashioned of these flowers hung on either side of the altar. A lovely arrangement of white stock graced the altar which was flanked by tall white softly glowing tapers. Ferns outlined the front of the church.

Mrs. R. O. Muenster played a beautiful medley of pre-nuptial lyrics on the organ. She accompanied Mrs. T. C. Greenwood, Jr., who sang "Because."

To the opening strains of the "Wedding March" from Lohengrin, Miss Rutherford entered on the arm of her father, who gave her in marriage. She wore a spring suit in aqua. Her white crepe blouse, fashioned with white rushing, formed a love frame for her face. Her hat was a matching aqua felt trim-

med with small grapes and pink carnations, and her accessories were brown. She carried a white prayer book which held pink carnations.

Rev. J. W. Heyes read the beautiful single ring ceremony. Robert J. Carter, Jr., of Luling acted as usher. Martha Ann Rutherford, younger sister of the bride was maid of honor. She wore a blue suit with corsage of pink carnations. Miss Mary Katherine Gardner of Healdton, Okla., bridesmaid, was dressed in watermelon pink suit with a white gardenia corsage. Charles Riggins of San Antonio acted as best man.

A reception was held in the home of the bride's parents. The living room and dining room were decorated in white flowers, matching those in the church. The dining table was laid with cutwork cloth, centered with stock and tulips which held a miniature bride and groom.

Mrs. Vernon Reed of Denton served the wedding cake and Mrs. John Kinney of Luling served frosted punch. Mrs. Aaliph Allen of Austin presided over the bride's book.

After a brief wedding trip, Cadet Ziegler went to El Paso where Mrs. Ziegler will join him.

## ECONOMY IN INSTALLING ELECTRICITY INTERESTS CLUB

"The success and safety in the planning for electricity, centers in the distribution system, in the wiring. If that is right you can add lights, motors, anything you want. It is permanent; all you need for expansion are conveniently located plug-in outlets. Put in plenty of them, the additional cost is insignificant," said Mrs. Joe Baber in her talk on Planning for Electricity, when the West Side Home Demonstration Club met with Mrs. J. W. Bourn, for an all day meeting March 20.

"Once started with electric power, you will be adding new equipment the rest of your lives," said Mrs. E. W. Bourn. "You will install an electric range in the kitchen, water heater in the basement, probably a refrigeration unit. None of these can be run safely on a lighting circuit. They need heavier wire. In addition to these there are milking machines, milk coolers, washing machines; and another thing, on still days when the windmill doesn't turn an electric motor can be attached to an old pump. You might even put a burglar alarm on the chicken house."

Changes in the year book were discussed. Mrs. Bourn expected visitors so two quilts were in the frames. An appropriate song, "The Quilting Party" was sung.

Visitors included: Mrs. Hershel Jennings, Mrs. E. B. Anthony, Mrs. J. S. Cleland, Mrs. G. W. Harwood, Mrs. T. T. Pain, Mrs. G. W. Cox, Mrs. Thompson, mother of Mrs. Lyle Bonner, Mrs. C. W. McKinney, and Mrs. W. W. Clouch.

Members present, Mrs. E. N. Zachery, Mrs. P. H. Baber, Mrs. R. A. Burrus, Mrs. J. W. Carter, Mrs. C. E. Head, Mrs. E. W. Bourn, Mrs. J. A. Smith, Mrs. J. E. Hunter, Mrs. Ray Metcalf, Mrs. Lewis Tucek, Mrs. W. L. Avent, Mrs. W. C. Roberts, Mrs. B. A. Burrus, Mrs. Lyle Bonner, and Mrs. J. W. Bourn, hostess.

The next meeting will be with Mrs. C. E. Head, April 3 at 2 o'clock.

## DOUBLE RING CEREMONY READ FOR OLTON COUPLE

In a double ring ceremony read Saturday afternoon at 6:30 o'clock in the home of Mr. and Mrs. Gordon Thomas of Olton, their daughter, Ann Ward, became the bride of Wilbur R. Schreier, son of Mr. and Mrs. L. C. Schreier of Olton.

L. C. Schreier, father of the bridegroom officiated.

Decorations were of white gladioli, sweet peas and fern.

The bride was attractively dressed in a white gabardine suit with aqua and brown accessories. She carried a white Bible topped with white gardenias and white satin streamers.

At the reception which followed the ceremony the table was covered with white satin cloth and centered with a 3-tiered wedding cake surrounded with sweet peas.

The bride, a granddaughter of Mrs. Annie Campbell and Mrs. F. P. Ward, was graduated from Olton High school in 1945.

The bridegroom graduated in 1942. He served 3½ years overseas with the Navy and received his discharge in December.

The couple plan to make their home in Olton.

## BUSINESS WOMEN MEET IN CLAY COOPER HOME

Wednesday evening Mrs. Clay Cooper and Mrs. Faye Cannedy were hostess to members and guests of the Woman's Bridge Club in the home of Mrs. Cooper.

Snappers, sweet peas and pussy willows were used to decorate the house.

At the social hour a dessert course was served to Mrs. Joe Baber and Mrs. C. M. Presley, guests; Mrs. C. R. Flesher, Mrs. Claude Moore, Mrs. K. E. Frieze, Mrs. H. I. Wilcher, Mrs. N. E. McIntire, Mrs. Robert Parsons, Mrs. R. E. Ball, Miss Carlee Wirt, Miss Lou Ella Patterson, Mrs. Gladis Samples, Mrs. Berl Mayfield, Mrs. W. M. Thompson, Mrs. Guy B. Tabor and the hostesses, members.

High score was won by Mrs. Moore; low by Mrs. Flesher; deuce by Mrs. Frieze; Mrs. Baber and Mrs. Presley were presented guest prizes.

## Red Cross Will Teach Swimming in WT Indoor Pool

Swimmers from Amarillo and other communities of the Panhandle will come to West Texas State College for a water safety instructors course to be held from April 8 through April 12, inclusive. This course will be taught by a national field staff representative of the St. Louis area office of the American Red Cross.

The instruction periods will last from 7 to 10 p. m.

Enrollment of students for the course will be made at headquarters of the Amarillo chapter of the Red Cross at the old library building.

Announcement of the course was made by K. K. Swanson of Amarillo, director of health and safety service for the Potter County chapter. Faculty members of the West Texas State department of physical education will offer their cooperation.

Capt. Fred Hart of Canyon, West Texas graduate now serving as a personnel officer at a U. S. Army base in southern France, writes that he is well located two miles from the Mediterranean. He says he likes his new location much better than a recent one he had in Germany.

Husband, answering telephone: I don't know. Call the weather bureau. "Pretty Young Wife" "Who was that?"

Husband: "Some sailor, I guess. He asked if the coast was clear."

### HIGHLAND FARM BUREAU MEET WELL ATTENDED

The Highland Farm Bureau met at the Highland school Friday evening, March 22 with fifty members and guests present.

The president, Elmer Mason, called the meeting to order and introduced visiting guests, Mr. and Mrs. A. E. Wise from Sunny Hill community, Mr. and Mrs. Harley Burrus from Trigg, Clarence Beckman from Umberger, and W. H. Upchurch from Canyon. Mr. Burrus was called upon and made suggestions on the membership drive. Mr. Wise spoke of the benefits of the

Blue Cross hospitalization insurance. Mr. Upchurch in his talk stressed that Farm Bureau members become charter members of the insurance put out by the Farm Bureau.

After Mr. Upchurch's talk the election of officers was held. The following were elected: Luther Mason, chairman; Raymond Kimball, vice chairman; and Mrs. Kimball, secretary and treasurer.

Mr. Beckman then gave a talk on gas tax refund and L. E. Mason thanked members and officers for their cooperation in the past and the remainder of the evening was spent in a social hour playing "41."

The next meeting will be Friday evening, April 4th.

### Mona McNeill and Verna Hager Wedding Rites Read in Home

MR. AND MRS. VERNA HAGER

In an impressive home ceremony, Mona Willie McNeill, daughter of Mrs. A. A. McNeill of Amarillo, became the bride of Verna Hager, son of Mrs. Elma Hager of Waxton Falls on Thursday, March 28.

Rev. Lyle Bonner of Canyon read the double ring service at 7 o'clock in the home of the bride's mother, at 901 Van Buren.

Introducing the ceremony, Mrs. Edwin Dutton played "Always" by Berlin. The traditional wedding marches were used for the processional and recessional, and "I Love You Truly" by Bond formed a musical accompaniment for the exchange of vows.

An improvised altar in front of the mantel was decorated with an arrangement of multi-colored sweet peas, gladioli, and stock, flanked by Stephanotis and fern, with white tapers used for lighting the ceremony in its entirety.

Tony Burrus, brother-in-law of the groom, served as best man.

Given in marriage by her brother, John McNeill, the bride was attired in a wedding gown of slipper satin and lace made princess style which swept in a long train, fashioned with a sweetheart neckline and tight fitting long sleeves. A halo of small carnations adorned her hair. Her bouquet was of calla lilies tied with white satin ribbon. For something old she wore a cameo given her mother by her father.

Mrs. Bill Sternberg, sister of the bride, was matron of honor. She wore a gown of white silk, fashioned with a long bodice, sweetheart neckline and a full gathered skirt. Her bouquet was of multicolored sweet peas.

For her daughter's wedding Mrs. McNeill chose a street length dress in beige and green complemented with a corsage of gardenias. Mrs.

#### SATURDAY NIGHT CLUB MEETS AT TERRILL HALL

Saturday night Mr. and Mrs. W. W. Nicklaus and Mr. and Mrs. Milton Morris entertained members and guests of the Saturday night dinner bridge club at Terrill Hall.

Those present were: Dr. and Mrs. Robert P. Jarrett, Mr. and Mrs. R. W. Swinford, Mr. and Mrs. C. W. Freed, Mr. and Mrs. Hoses Foster, Mr. and Mrs. Otis Parker, Mr. and Mrs. Houston Bright, Mr. and Mrs. Gordon Lyons, Mrs. M. E. Cantrell, Boone McClure and the hosts.

Mrs. Cantrell won high score for the women and Dr. Jarrett won for the men.

The next meeting will be on Friday, April 26.

#### MRS. FAIR HOSTESS TO EDGETOWN H. D. CLUB

Mrs. T. T. Fair was hostess to the Edgetown Home Demonstration Club on Friday afternoon, March 22 at 3:00 o'clock.

Mrs. R. M. Thurman, vice-president presided over the business meeting in the absence of Mrs. Fred Marshall, president.

The meeting was opened with group singing after which the "Collect for Club Women" was repeated in unison.

Mrs. Pennie Cox directed the recreation.

The subject for discussion was "Planning for and Using Electricity" with Mesdames W. I. Wester, J. R. Sharp, R. E. Foster and Frank R. Phillips taking part on the program.

Sandwiches, cookies and tea were served to Mesdames R. E. Gill, visitor, Sharp, C. H. Stratton, Ralph Forrester, J. C. Dowd, M. E. Sorege, Thurman, S. R. Hood, Wester, Phillips, Foster, W. L. Rice, O. M. Solomon, W. B. Smith, J. R. Wright, A. B. Anthony, P. L. Walters, Cox, Miss Mable Solomon and the hostess.

This club will sponsor a bake sale on April 6 at the Hawk's Motor show room.

The next meeting will be with Mrs. Ralph Forrester on April 12. The subject will be "Children's Clothing."

Hager wore a black crepe dress with a corsage of roses.

Following the ceremony, the bridal party was honored at a reception at the home. The bride's table was centered with a bouquet of sweet peas, snap dragon and fern using white tapers in crystal candle holders.

The bride assisted by the groom, followed the old tradition by cutting the three tier wedding cake which was topped with a miniature bride and groom.

Mrs. Lenora Cowden, aunt of the bride, served the cake and Mrs. J. A. McNeill presided at the punch bowl.

Mrs. Hager was graduated from Round Rock High School and she attended Amarillo Junior College.

Mr. Hager has recently received his discharge from the Coast Guard, after having served 18 months overseas.

#### TUESDAY NIGHT CLUB MEETS WITH GOODMANS

Mr. and Mrs. A. K. Goodman were hosts to the members of the Tuesday Night Club on the evening of Tuesday, March 19.

A desert course with coffee was served during the social hour to Mr. and Mrs. W. E. Miller, Mr. and Mrs. Hud Prichard, Mr. and Mrs. Tom Braisher, Mr. and Mrs. J. Madison Daugherty and Mr. and Mrs. Harry Wood of Happy.

High scores were won by Mr. and Mrs. Miller.

#### 1925 BRIDGE CLUB MEETS WITH MRS. J. L. DUFLOT

Mrs. J. L. Dufлот was hostess to the 1925 Bridge Club at her home on Wednesday, March 20.

At the conclusion of the games a salad course with coffee was served to Mrs. Glenn Dowlen, Mrs. Herschel Coffee, Mrs. Hud Prichard, Mrs. J. J. Walker, Mrs. Frank Phillips, Mrs. W. A. Warren, Mrs. J. D. Barker, and Mrs. J. Madison Daugherty.

#### RALPH H. D. CLUB CONSIDER DAIRY PRODUCTS VALUE

"Dairy products—milk and cheese—are the main sources of calcium in the American diet." This was one of the many interesting points Miss Lou Ella Patterson stressed in her demonstration on minerals in the family diet.

The Ralph Home Demonstration club considered the "family diet" when it met Wednesday, March 13, in the home of Mrs. R. B. Gist.

Lovely refreshments were served to Miss Patterson, Mrs. Crews Henry, Mrs. S. G. Elliott, Mrs. James Jennings, Mrs. Grady Persons, Mrs. S. L. Robinson, Mrs. Henry Ratjen, Mrs. Ken Burrum, Mrs. Glenn Dowlen and the hostess.

#### ZITA H. D. CLUB HAS COVERED DISH LUNCHEON WITH HALES

A covered dish luncheon was enjoyed in the home of Mrs. J. B. Hales on March 26 by members of the Zita Home Demonstration Club.

Baked new potatoes, asparagus, stuffed celery, fresh corn (from Mrs. Hales' home locker), a vegetable salad, two fruit salads, olives, pickles, ice cream and cakes were served from a table beautifully centered with sweet peas and fern.

The meeting of the club was opened by group singing of "A Punny Smile." Roll call was answered by each member giving the electric equipment she intended to buy. The recreation chairman, Mrs. B. E. McCormick gave a quiz program which was enjoyed by all. Mrs. J. P. Upchurch won the high prize.

After the business and recreation meeting the program chairman, Mrs. Forrest Gruner called upon Mrs. M. H. Rockwell, who talked on "Using Washing Machines." Mrs. Ethel Michael gave "Planning for Electricity" and Mrs. H. R. Fulton discussed "Different Uses of Electricity." A very helpful talk by Mrs. B. E. McCormick was on cancer. In her references she found one doctor states that any cancer can be cured if treated in time either by surgery, radium or X-ray.

Those present were: Mrs. Michael, Mrs. Rockwell, Mrs. McCormick, Mrs. H. D. Rose, Mrs. Owen Pyeatt, Mrs. D. C. McCormick, Mrs. Fulton, Mrs. Marshall Rockwell, Jr., Mrs. Gruner, Mrs. Ralph Rothardt, Mrs. Upchurch, Mrs. Wayland Angel, and the hostess.

#### TROOP NO. 4 GIRL SCOUTS VISIT PUBLIC LIBRARY

Troop 4 of the Girl Scouts of Canyon with their leader, Mrs. E. R. Cleavinger, visited the Public Library Friday afternoon.

Mrs. Burton, librarian, showed the girls how to use the index files to locate books. Girls, who did not already have library cards, made application for cards.

This library tour is part of the scout work to get off 2nd class badges.

At a previous meeting the girls had drawn paper dolls and designed dresses for arts badges. This work was judged as a contest and was won by Florence Marie Coffee. Her work will be submitted to a Child's Magazine.

This group has taken a preview hike around the campus to train in hiking safety rules in preparation for longer and more formal hikes.

At every meeting one or two girls bring new games to teach the group as work towards games badges.

Barbara Beck, Alma and Zorah Bishop, Dorothy Cleavinger, Florence Coffee, Joan Dodson, Anna Belle Dorris, Peggy Maynard, Betty McGeehan, May Montgomery, Mary Owens, Virginia Rigby, Anna Lou Samuelson and Janice Waldrop, comprise this troop.

## Tech to Bring Team April 4

Dual Track and Field Meet Here to Give Locals Severe Test

Track and field men of Texas Technological College will come here Thursday, April 4, for a dual meet with West Texas State. This event originally was set for March 29.

Last week the local squad won the college division of the Fort Worth Fat Stock Show track and field meet. Coach W. W. Nicklaus took only nine men to Fort Worth. Of these, Capt. Larry Sanders of Amarillo was lost to the team for ten days or more because of a leg ligament torn in the broad jump.

Nicklaus will take the Buffaloes to Lubbock April 13 for a triangular meet with Tech and Hardin-Simmons University. On the following Saturday, April 20, he will enter his team in a triangular meet with

Texas Tech and the University of New Mexico at Albuquerque.

Other dates may be scheduled before the locals enter the Border Conference meet May 11 at Tucson, Arizona.

## Adams, Swineford Win First Prizes In Art Exhibit

Mrs. Aline Adams won first prize on an oil painting which was entered in the Regional Art Exhibit in Amarillo March 7 and 8. Mrs. Adams is an advance art student.

Second prizes were drawn by Ruth Thompson and Betty June Euler. Sadie Ruth Hoskins was the winner of a third prize.

Derald T. Swineford, assistant professor of arts and crafts, won first prize in the professional group with a water color painting. Isabel Robinson, associate professor of art and head of the department, won a third prize with a lithograph.

## Malone Recovering From Operation

J. W. Malone of Stratford, captain of the 1946 Buffalo basketball team, is recovering from an operation for appendicitis.

Malone was operated on in a local hospital. The West Texas State College All-American guard suffered an attack two weeks ago but recovered, although his playing was somewhat impaired by the condition.

His floor work in the Kansas City National tournament was described by some coaches as the best they had ever seen. His scoring was not in his best form.

## Decker Is Top Buff Scorer

West Texas State Won 19 Games, Lost 8 in Season Just Closed

Second place in the Border Intercollegiate Athletic Conference and 19 victories as against 8 losses constituted West Texas State's basketball record in the season just closed.

Coach Gus Miller's team scored 1457 points for an average of 54 points a game, while opponents made 1193 points for a 44 point average. The Buffs split a two-game series in the Kansas City double headers and later entered the national tournament there, winning one game and losing one.

At the head of Buffalo scorers was Hank Decker of Richmond, Ind., 6 foot 6 inch center, who made 348 points. All-American J. W. Malone, guard and captain, was second with 332 points. Malone was a sensational performer and crowd-getter throughout the season. Other leading scorers were Borden Price, guard and war veteran, with 184 points; Don Leach, forward, 118; Bill Miller, forward, 118; Ledru Jacobs, forward and war veteran, 111; and Bill Stockman, forward and war veteran, 102.

Jacobs and Stockman returned from the Pacific too late to reach top form, but they quickly became starters and raised the scoring power of the Buffalo quintet. Each of them, and Borden Price, had been starters for the Buffs before the war.

Spring basketball practice will begin April 15.

# LET'S STOP FEEDING INFLATION

You know what happens...

When you continue to spend more than you make and...

Keep on borrowing to make up the difference!

You know too, that a big chunk of every dollar you earn and every dollar you spend goes to pay the cost of government.

That's why it's important for you to take a good look at the way the government spends your dollars.

Government should begin now to live within its means

During the war government necessarily spent huge sums of money. Yet, with the war over, the government plans to spend four times as much in the coming year as it spent in the highest pre-war year.

Most thoughtful people believe that government expenditures are now far greater than they need be.

They believe that government, like a family, should live within its means... that it should not spend more than it takes in... that it should not keep on going deeper into debt.

Yet that is exactly what's happening today. Our government is spending billions more than it takes in. And it continues to borrow to make up the difference.

This is the kind of money-handling that causes inflation.

Economy in government means money in your pocket

If the American people—through Congress—will reduce government spending and take steps to encourage production, inflation will be stopped... and this is the only way it can be stopped.

Write your representatives in Congress today.

Urge them to cut the cost of government, eliminating all waste... all unnecessary services... and postponing all expenditures that can be put off until our war bills have been paid.

Urge them to make the government start living within its means... at a level that you and your neighbors can afford to pay.

You'll see the results soon in the cost of everything that you buy... food, clothing and everything else. And you'll be doing your country a real service.

YOUR DOLLARS... a postcard to the National Association of Manufacturers, 14 West 49th Street, New York 20, N. Y., will bring your copy of this informative booklet on government spending—a subject which is all-important to you.

### 'Truman Loaf'

Agriculture Secretary Clinton P. Anderson shows President Truman samples of the "Truman Loaf," new wheat-saving bread baked from 80 per cent flour. This includes 10 per cent of the wheat formerly used for feed. Early reports: new bread is grayish, tastes malty, texture coarser, loaf heavier but a bit smaller. These samples are from the Agriculture Department's experimental laboratories at Beltsville, Md.

### Reckless Driving Near Trailers Is Current Worry

Veterans living in the trailer town have called attention to the fact that reckless driving in that area is endangering the lives of children.

It was pointed out that persons parking near the tennis courts have been among the most frequent offenders. Rarely, however, have college personnel been observed driving too fast or in a reckless manner. The veterans' Council requested The Prairie to call attention of local residents to the problem.

"I wonder why that Air Corps chap you're going with is so quiet, Violet. Is it because he's afraid of showing his ignorance?" "Well, the only bird that does any talking is the parrot, and it isn't much of a flier."

"By playing second fiddle," he sadly replied.

Speer, and Principal Milton Sanders, are: Louise Dickinson, Cheri Kilchriste, Anita Johnigan, Valeta Haines, Shirley Harrison, Geraldine Small, Joan Morton. They will have an informal initiation within the next two weeks, and there will be a formal initiation later.

Quill and Scroll is a National Honor Society for journalists. The requirements for this club is an A-average, 125 inches, 25 headlines, and the ability to make out a dummy paper.

Louise Dickinson is the editor of the Eagle's Tale, CHS's school paper, a member of the annual staff, the PHA Club, Drum Corps, the senior cheerleader, and vice-president of the Speech Club. She is also a member of the volleyball team, a member of the senior play cast, and an office assistant.

Serving as treasurer of the senior class is Cheri Kilchriste. She is president of the Drum Corps, a member of the Speech Club and the senior play cast, and has been a member of the PHA for four years. In the Press Club, she is exchange editor of the Eagle's Tale, and cartoon editor of the annual. Cheri also serves as an office assistant.

Assistant editor of the annual, chief copyreader of the Eagle's Tale, a member of the senior play cast, the PHA Club, and a member of the Speech Club is Anita Johnigan. She also serves as social chairman of the senior class, a twirler in the Drum Corps, an office assistant, and president of the Volleyball Club.

An active member of the PHA Club, Geraldine Small is the recording secretary for Area 1. She is vice-president of the Student Faculty Congress, secretary of the junior class, assistant art editor of the annual, and a reporter on the Eagle's Tale. Geraldine was junior candidate for Carnival Queen, runner-up for pin-up girl, and a member of the junior play cast. She is also a member of the Spanish Club.

Sophomore delegate to the SFC, Valeta Haines serves as secretary-treasurer. She is a reporter on the Eagle's Tale staff, a member of the Drum Corps, and business manager of the volleyball team. Valeta is also a member of the Spanish Club, and the PHA Club.

Shirley Harrison is a member of the Speech Club and the PHA Club. She was senior candidate for Carnival Queen, and is a member of the senior play cast. Shirley is second assistant editor of the Eagle's Tale, and is an office assistant.

Joan Morton is a member of the Drum Corps, and the PHA Club. She is also on the volleyball team and a reporter on the Eagle's Tale.

These students will receive Quill and Scroll Club pins in the near future, and will be presented into the club at a formal initiation.

### DON'T LET OLD GLORY DOWN

Some students seem to possess the tendency to ridicule their fellow men who place their hands over their hearts at the sight of the flag and follow it with devoted eyes to signify their loyalty. Perhaps you have called such people fifth columnists, because in their subconsciousness, they have slighted something that means so much—a symbol that men have died and will die for—something that men have fought to preserve as a heritage for their children. Washington's men fought for it in the disastrous day of Valley Forge; McArthur's men fought for it in the Philippines. Are you but stooges, that the greatness that lives in Old Glory is blind to your eyes?

Every star, every stripe is a proof—a declaration of the four freedoms which have been won there in blood and valor. No one will stand over you to see that you "Hail" Old Glory. But doesn't it deserve your patriotism? Old Glory is yours; the blood in her stripes is your blood, the light of freedom in her stars is your light. Don't let Old Glory down! Johnny Doughboy has died for her! At least you can uphold her.

Remember the old advertisement? "The Ham what Am?" Now the question is, "What am Ham?"

Hello, there, all ye friends and seekers. Cal is tuning jes for you and here's all the rumors I've heard.

That cute little Sharlean Pycatt isn't doing bad. Wednesday night she was seen with that great hunk-o-man, Charles Wright. Who will win out, she or Thelma Bonds.

Bobby Mickey and Peggy Spann have been having some pretty good times together. He's lost his senior ring. (To Peggy, of course).

It seems as now three CHS senior girls really like Bob's Coffee Shop. Couldn't be because of some good looking college boys with a '41 Chevrolet? Could be.

### Flashy Flash . . .

Mary Alice Brownig's one and only is Bill Roberts. Bill would love to have a date with Joan Morton. . . Sue Colwell and John Boling seem to be on quite friendly terms. . .

Who is Peggy LaLoge's and Frankie Sneed's dream boys? . . . You'd better watch Jean Prater. That Louise Reed is seen around Canyon a lot lately. . . If you're just dying to take a jeep ride, see Dorothy Garford. . . Hubert Drake wants a date. . . Joyce Thurman and Mary Ann Baker seem to think that Garland Butler and Garl Gene Crow are simply grand. . .

There are rivals over that Clois Knox. Meaning, Wilma Schuette and Charlene Simmons. Hope the best girl wins.

That discharged Navy man, Clifford Abbott, is getting the eyes from these high school females. What are you going to do about that Clifford?

Don Stone and Anna Rae Morgan really had a snazzy time Saturday night. Not bad, eh, Don?

Those heavy dates Thursday night between Janey Forrester, Richard Walters, Max Beilahn, and Sue Gillispie had to be broken. The girls played volleyball. Too bad. (They won tho.)

Meiba Stroup and Wesley Prater enjoy those sixth period strolls. What is Clyde Fewell going to say about this?

Did you know that Malcolm Gunter is going steady with Virginia Reid, and also gave her a beautiful watch for her birthday?

This is Cal wishing a gossipy week and signing off until next time.

## Press Club Aids W. T. Saturday

Journalism students met Saturday, March 23 in Canyon for the Twelfth Annual Convention of the Panhandle High School Press Association.

Beginning the Convention registration was held in the Education Building from nine to ten. Each registered member received a P. H. S. P. A. badge.

The first General Session was held in the auditorium of the Education Building at 10 o'clock with Patsie Northcutt, Amarillo, PHSPA president, presiding. Winnie Fred Ramage of WTSC gave a brief welcome after which Anna Merle Cox, PHSPA vice-president, gave the response. Dorothy Rae Bivins gave "Negro Philosophy," a reading, with Richard Fleming following with two vocal solos. A brief address was given by Olin E. Hinkle, general sponsor, and he appointed Resolutions and Elections committees. Meeting was adjourned.

At 11 o'clock representatives met in the Administration auditorium. Glenn Truax directed the Buffalo Band for several musical numbers before President J. A. Hill gave the welcome with Patsie Northcutt responding. Olin E. Hinkle made several announcements before A. Eugene Mann, director of Journalism and Publications of Eastern New Mexico College, Portales, gave the address concerning future journalism.

Luncheon of strawberry jello salad, chicken a la king, mashed potatoes, green beans, spiced beets, hot biscuits, ice cream, cake and iced tea were served at the Methodist Church by the Methodist Church Women with Canyon High School in charge of the program. Group songs, "The Gang's All Here," "O, Dear Sponsor" and "Roll On" were sung during the program consisting of a reading, "The Paper Must Go On," by Geraldine Small and Frances Gooch and Louise Dickinson, accompanied by Mary Helen Mickey, sang "Symphony" and "Personality."

For the third General Session members met in the Education Auditorium with Anna Merle Cox presiding. La Nelle Ekelund tap danced and sang "Sugar Blues" and "Why Do You Do Me Like You Do?" "Temptation" was sung by Jane Whicker. Addresses were given by Harry Gilstrap, Globe-News sports editor, and Clyde W. Warwick, publisher of the Canyon News.

Sectional meetings at 3 p. m. were: Staff Organization with Pampe in charge, W. T. High directed The School Darkroom. News Writing directed by Amarillo. Planning the 1947 Yearbook by Lubbock. Sports Writing sponsored by White Deer and Editorial Writing, Panhandle.

Fourth and final General Session was held at 4:15 with Patsie Northcutt again presiding. Voting delegates assembled before Alvin Jennings, treasurer gave his report and there was a report from the Resolutions and elections committees. New officers were elected and Mr. Hinkle announced writing contest winners.

For a light lunch students gathered in the college cafeteria before going to Cousins Hall for a reception and informal dance sponsored by Type High and the College Press Club.

W. T. High and Canyon High Schools acted as hosts for this meeting.

## Shepherd Directs Assembly Friday

With the "Star Spangled Banner" as an opening number, for the first time in two years, the student body attended a CHS band concert in the auditorium of the high school, Friday, March 22.

This program was under the direction of Mr. M. D. Shepherd and the following numbers were given: "March On" (23 Orange), "At The Concert" (19 Orange), "Piano Duet" by Donna Erwin and Max Beilahn, "Military Escort" played three different ways, "Merry Widow Waltz," "Saxophone and Largo," solos played by Mr. Shepherd, and the last number was "Military Escort."

After the program, Mr. Shepherd, a new member of the Canyon High School faculty and organizer of the band, lead the school song. Dr. Speer made necessary announcements, and Malcolm Gunter dismissed the assembly.

Stage Manager—Norma Zachry. Prompter—Ruth Prichard. This frolicsome farce-comedy in three acts, will be presented in the Canyon High School Auditorium, April 4, at 8 p. m. Tickets will be on sale this week.

Seniors are working hard to give a good play. The public is invited to be present at the performance.

## Superloopers

These cagers are from left to right: Charles Wright, Billy Abbott, M. E. Rhodes, Austell Burrus, and Richard Walters. This is the team who piloted the Eagles through the 1945-46 basketball season. They played a total of 20 games winning eight out of the 20 games, and scoring 689 points. Rhodes and Walters did not play the complete season on the first team, but alternated for each other until Rhodes took the place of Wilbert Long who played with the first five until the last few games of the season.

## Ten Eagle Cagers

Reading from left to right we see Coach R. D. Wheelock, Wilbert Long, Austell Burrus, Charles Wright, Weldon Lindsey, James Guthrie, M. E. Rhodes, Marvin Fite, Easton Wall, Billy Abbott, Richard Walters and manager, Bill Davis. These boys make up the A and B teams. Victories and defeats, they saw them through. This is the group that made all the trips and did most of the playing. There were not many changes during the season and these came near the end.

## Eaglettes Defeat Dumas Demons

Canyon Eaglettes journeyed to Dumas, Friday night, March 22, to play the Dumas Demons where they came out first winning two games out of three. The scores of two games were very close. At the end of the first game the score stood 17-15, Eaglettes favor. In the second game the Eaglettes shipped up and Dumas won the game 15-3. Because of this score and the way the last game started it looked as if Dumas was slated to win but even as the score stood 14-6 with Dumas in the lead, Canyon had not quit. Due to the serving of Johnnie Ford, the score was increased to 14-12. The Demonettes served again but the Eaglettes prevented them from scoring any points. Then Anita Johnigan won the game for the Eaglettes when she put over four serves ending the game, 16-14.

With twelve scores to her credit Anita Johnigan was high-point girl and Johnnie Ford, second, made eight scores. Martha Jean Aven served as captain for the "A" string. In the "B" string games that followed, Sue Gillispie was captain. Canyon also won these games, two out of three.

Norma Zell Zachry, Billy and Thelma Bonds, who just recently began coming out for practice showed their skill in these "B" string games. Billie was high scorer making ten points and Thelma and Sue Gillispie were next with eight points each.

Playing the Happy Cowgirls at Happy, Thursday night, March 21, the Canyon Eaglettes defeated them also in the first and second games with scores of 15-6, and 15-5. Johnnie Ford, high-scorer of that night with nine points to her credit, served as captain. Dorothy Butler, with second high score, made six points. Happy had only been practicing two weeks when these games took place and also, two of the main string did not play.

Composing the "A" string are

Students of Canyon High School wish to express their sympathy to Mr. I. H. Hollabaugh and family at the death of his brother, Mr. G. I. Hollabaugh.

Johnnie Ford, Anita Johnigan, Martha Jean Aven, Dorothy Butler, Geneva McDougal, Joan Morton and Juanita Aven, substitute.

At Dumas, Sue Gillispie, Sue Dickerson, Louise Dickinson, Billie and Thelma Bonds, Norma Zachry, and Janie Forrester, substitute, played on the "B" string.

The Eaglettes have had three games scheduled for this week besides the games in the District Tournament to be held Saturday. Tuesday afternoon the Eaglettes were hostesses to the Happy Cowgirls and the Dumas Demonettes Wednesday night. Tonight, the Eaglettes will go to Amarillo to play the games which were originally to be held last Friday, but had to be postponed.

## Gooch Is PHSPA Treasurer, Haines Wins Feature Honor

Selected by the Journalism students of Canyon High School to serve as treasurer of the Panhandle High School Press Association for the following year is Frances Gooch.

Alternating each year with the West Texas High School, Canyon High's Press Club members select a treasurer every other year. Serving as treasurer last year was Alvin Jennings of W. T.

Frances is a second-year Journalism student, assistant editor of the Eagle's Tale, and a member of Quill and Scroll honor society. She also lettered in Journalism last year.

Valeta Haines, a sophomore, won third place and honorable mention on feature writing.

Journalism students of Canyon High who attended the annual PHSPA convention at the college Saturday, March 23, were Louise Dickinson, Frances Gooch, Shirley Harrison, Anita Johnigan, Valeta Haines and Geraldine Small.

## Athletics Voted Leading Activity

Participating in the district I-A track meet at West Texas State College, Saturday, March 30 will be six schools including: Canyon, Dumas, Dimmitt, Hereford, Tulia, and Pritchard.

Approximately 13 Canyon High boys, under the supervision of Coach R. D. Wheelock, will enter as follows: Lee Bailey and Clifford Burtz, 100 yard dash; Malcolm Gunter and Billy Abbott, 440 yard dash; Charles Wright, Wilbert Long and Meade Michael, 880 yard dash; Austell Burrus, James Guthrie and Richard Walters, mile run; Charles Wright, Billy Abbott, Malcolm Gunter and Easton Wall, mile relay; Gerald McDuff, Richard Walters, and Billy Abbott, pole vault; James Guthrie, Wilbert Long and Wayne Davis, running high jump; Malcolm Gunter, Charles Wright, 12 pound shot; Clifford Burtz, Meade Michael and Billy Abbott, broad jump; Wilbert Long, Easton Wall and Gerald McDuff, discus throwing.

Entries in volleyball are Dumas, Dimmitt and Canyon. Playing for Canyon will be Anita Johnigan, captain, Martha Jean Aven, Geneva McDougal, Dorothy Butler, Johnny Ford, Joan Morton, with Juanita Aven and Louise Dickinson substituting. Winners of the volleyball games will enter the regional meet at Lubbock, Saturday, April 6.

Representing CHS in tennis are: Bill Davis and Marvin Fite, boys' doubles; Billy Cleavinger, boys' singles; and Betty Ann Miller and Frances Gooch, girls' doubles.

There will be no literary events in the meet this year because of the vote taken among the principals of the district last year.

fourth grade this week is Rosalee Powell. She withdrew from the grade school during Christmas, attended school at Cleburne, Texas, and is back to finish this school term.

In Mrs. Mary Gillispie's third grade, students have completed their projects of drawing sail boats, water scenes, and typical Texas sand hills. All the paintings are free hand and Mrs. Gillispie states that she is very proud of their work.

Back in Mrs. Mary Gillispie's room is Ruby Lee Hales after a brief illness.

Multiplication: Yes, it seems though the third grade pupils are beginning to come in conflict with that after their two and one half years of knowledge.

Mr. W. E. Miller sent tulips to Mrs. A. K. Goodman and her third grade class. Both the teacher and students want to say "Thanks, Mr. Miller."

Those having birthdays in Mrs. A. K. Goodman's room this month are Jean Davis, Merle Findley, Delbert Rogers, and Frank Lill.

After undergoing a tonsillectomy, Maurine Schruggs is back in school.

"We Want More and Better Schools" and "Living on the Atlantic Coastal Plains" are subjects that Mrs. John Davis' Social Studies class is studying and discussing.

Not only are the students having round table discussions, but they are giving reports on different sites in the United States.

"My girl thinks I'm a wit," "Well, she's half right."

## Nightwatchman "Pop" Stratton Takes Daily Routine In Stride

The figure of Charlie Stratton with his time-clock hanging from his shoulder and club dangling from his waist is familiar to every student on the campus.

He often is seen as he comes to work at 7 o'clock and prepares to start on his rounds. Many see him later at various places on the campus. Everyone who knows "Pop," as he is called by W. T. students, realizes that he is a real friend to everybody.

Mr. Stratton has been making the rounds of the West Texas campus since August 1, 1944. In this year and eight months, he has become known to both students and faculty. He comments that he enjoys the associations he makes in his work because he has always liked young people.

Few persons realize what a big job Mr. Stratton has. He starts his work at 7 o'clock and stays until 2 in the morning, seven days a week. During the night he makes six rounds of the whole campus, checking his clock with six different keys on every round. The many steps he makes totals quite a distance; to be exact, almost seven miles every night.

These are not all of his duties. In his rounds he must see that all lights are turned out, must lock the Administration Building, check the football stadium, and answer any calls from dormitories in case there

White by Benny Bonnington, Sophomore Kathleen Hafner by Tommy Althart, Freshman Marian Miller by Edward Lehnick, and Freshman Patsy McDonald by Alvin Jennings.

The climax of the evening was the crowning of the King and Queen. The Coronation Dance, which was formal, began at 7:30 o'clock, and the actual crowning took place at 8:45 o'clock. The ballroom was decorated in a red and white motif, and that scheme was carried out beautifully.

is a disturbance. Before taking the job as night watchman here, Mr. Stratton was a policeman in Canyon. He served in that position for thirteen years. Mr. Stratton is retiring from work on April 1. In his own words, he says, "I have enjoyed my work here and knowing all the fine people, but I am going to take a long rest and just take life easy."

"When I ask those of the congregation who want to contribute \$5 toward the mortgage to stand up, you begin to play appropriate music," instructed the preacher. "What do you mean, appropriate music?" asked the organist. "The Star Spangled Banner."

The automobile motor pounded and suddenly wheezed to a stop on a lonely road.

"I wonder," mused the sailor, "what that knock is?"

"Maybe," suggested his blonde companion, "it's opportunity!"

"Why do all the signs say 'Fresh Country Eggs,' and never 'Fresh City Eggs?'" asked the city youth.

"Because," replied the farm girl, "everybody knows you city eggs are all fresh."

Doctor: "Why do you have BF-7640 tattooed on your back?"

Patient: "That isn't tattoo. That's where my wife hit me with the car while I was holding the garage door open."

He: I wonder what a little bride thinks of when strolling up the aisle to the pealing strains of the marriage hymn?

She: Aisle altar hymn—I'll alter him.

Old Lady (to little boy smoking a cigarette): "You had better stop doing that, otherwise you'll never become president."

Little Boy: "Oh, that's all right, lady. I'm a Republican, anyway."

Farmers are your neighbors-They want you to know that -

## Cooperatives

Form a LINK between FARM and TOWN

FARMS no longer are isolated. Farmers no longer live in a separate world, isolated from others.

Transportation and communication marvels of the Twentieth Century have brought country to town and town to country. This shortening of distance has brought people closer together. There is a stronger linking of interests of farmers and townspeople. Neither can now say, "You go your way and I'll go mine".

For, basic wealth comes from the toil of the farmers. When the farmers prosper you townspeople share in their prosperity. That is because they buy more of what you townspeople supply. They have more money to spend.

Thus, when farmers effect savings through their cooperatives, these savings benefit you. The farmers' co-ops mean an investment by the farmers in the future welfare of your community. They stand as an assurance to you that your neighbors, the farmers are your customers.

Co-ops help farmers. Farmers' co-ops also help you.

Savings that the farmers make through their cooperatives are spent on your Main Street. That means more dollars for townspeople because of farmers' cooperatives.

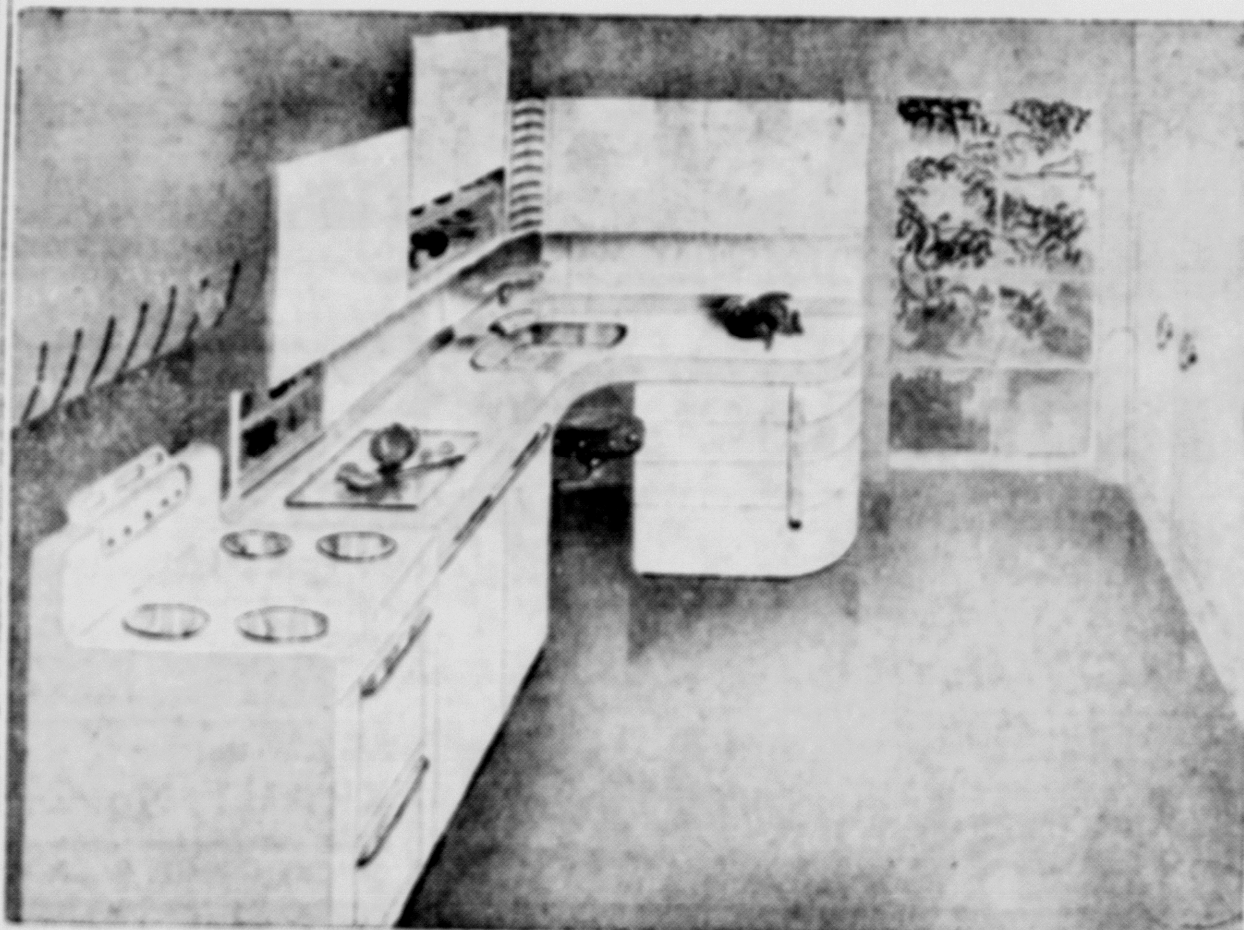

These cooperatives help build your community

## COMING ATTRACTIONS!

YOU may or may not care for double features in the movies. But here's a triple feature that's sure to make a hit with you.

It's the New Freedom Gas Kitchen... a clean and pleasant room where everything works together to save you steps, time and energy.

This most modern and carefully planned of kitchens will be built around three major work areas:

1. The cooking center—with a new and attractive CP gas range that includes every improvement to make cooking easier, faster, better.

2. The refrigeration and preparation center—beautified by a silent, spacious and economical gas refrigerator with no moving parts to wear and become noisy—plenty of space to store frozen foods.

3. The "clean-up"—where an abundance of hot water for dish washing is supplied automatically and economically by gas. The skillful combining of these three centers in pleasing harmony will make the co-ordinated gas kitchen—yours to enjoy.
